EXPERIENCE

Senior Graphic Designer

IV Future SRL ↗

10/2021 - Present

- **Evolved from illustrator to senior-level designer**, expanding from mobile app graphics into full product design for SaaS platforms, including mobile applications and web products.
- **Applied accessibility standards and visual identity principles** across digital products, improving usability, consistency, and overall user experience.
- **Led end-to-end design processes**, from research and competitor analysis to user journeys, ideation, wireframing, prototyping, and usability testing, ensuring user-centered and data-informed solutions.
- **Collaborated closely with development teams**, conducting design reviews on implemented features to maintain quality, accuracy, and alignment with the original vision.
- **Contributed to the successful launch of CIBO**, designing everything from brand identity and UI assets to wireframes, prototypes, animations, illustrations, and pitch decks, supporting both product development and go-to-market efforts. (in progress project)
- **Played a key role in shaping Voltvert**, a green energy initiative, contributing to product vision, UX strategy, and design execution with a focus on scalable, high-impact global solutions. (in progress project)
- **Bridged design and marketing**, creating cohesive visual communication across product interfaces and promotional materials, strengthening brand positioning and user engagement.
- **Leveraged modern AI and design tools** (ChatGPT, Adobe Firefly, Midjourney, Gemini, Bolt.ai, Builder.io) alongside industry standards (Figma, Adobe Creative Suite, Canva) to accelerate workflows, enhance creativity, and deliver high-quality outputs efficiently.
- **Demonstrated versatility across multiple design disciplines**, including UI/UX design, branding, concept design, and marketing design, contributing to cross-functional success and product growth.

Freelance Graphic Designer

Duoright & Others ↗

01/2017 - Present

- **Delivered end-to-end design solutions** for a diverse portfolio of clients, ranging from publishing and agencies to startups and independent brands.
- **Collaborated with Duoright**, creating illustrations for both children's and adult books, translating narratives into engaging and marketable visual concepts.

SUMMARY

Senior Graphic & Product Designer with over a decade of experience delivering impactful visual and digital solutions. Combines strong illustration and branding expertise with advanced UI/UX and product design skills for SaaS, mobile, and web platforms. Led design initiatives from concept to launch, contributing to product growth and enhanced user engagement. Known for blending creativity with strategy to build scalable and user-focused experiences.

- **Contributed to published works**, including projects featured on Caietul Visurilor and other editorial platforms.
- **Designed brand identities and visual systems** for multiple clients, including Raven Consulting, Macao Game, Hair Styling Agency, and fitness-related businesses, strengthening their market presence and visual consistency.
- **Created book covers for independent authors**, combining storytelling, typography, and visual composition to enhance discoverability and audience appeal.
- **Managed client relationships independently**, from briefing and concept development to final delivery, ensuring high satisfaction and repeat collaborations.
- **Adapted creative direction across industries**, demonstrating versatility in illustration, branding, and digital design.

Graphic Designer

Tshirt Factory SRL ↗

03/2016 - 09/2017

- **Designed high-quality apparel graphics** for diverse client portfolios, including collaborations with well-known Romanian artists, increasing product appeal and market relevance.
- **Transformed creative briefs into visually compelling designs**, aligning artistic direction with brand identity and current fashion trends.
- **Developed and commercialized scalable illustration bundles** for the textile industry, contributing to new revenue streams and expanding the company's product offering.
- **Enhanced brand visibility through strategic design collaborations**, helping position the company as a recognized creative partner in the local apparel market.
- **Optimized design workflows for production efficiency**, ensuring consistency, print-readiness, and faster turnaround across high-volume outputs.
- **Delivered consistent results under tight deadlines**, maintaining high standards of creativity, accuracy, and client satisfaction.
